**Re:    *Proposed Assessment for State Violation No. N 17150, Horizon Mine, C/007/0020,  
Task ID #4874***

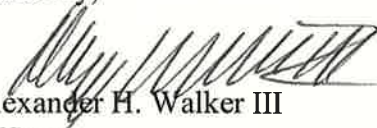

Dear Mr. Helfrich:

This follows your letter dated May 19, 2015 to me regarding the above captioned proposed assessment. Pursuant to Rule R465-401-710 of the Utah Administrative Code, the permittee hereby requests an assessment conference.

Please be advised that the permittee wishes to challenge the proposed assessment in connection with the assignment of good faith points. The permittee notes that the original assessment was issued on April 16, 2015 and was abated by the permittee on that same day. In short, the assessment simply could not have been more rapidly abated. That being the case, the permittee is entitled to the maximum number of good faith points under the terms of the assessment.

Please feel free to contact me in this regard.

Sincerely,

  
Alexander H. Walker III  
Officer
